Number 8, April to June 2005

## OUR FAITH (taken from our website)

### We believe that:

- everyone has the right to seek truth and meaning for themselves.
- the fundamental tools for doing this are your own life experience, your reflection upon it, your intuitive understanding and the promptings of your own conscience.
- the best place to do this is a community that welcomes you for who you are, complete with your beliefs, doubts and questions.

### We offer:

- liberty of conscience and freedom from imposed creed, confessions and dogmas.
- a fellowship where people come together to worship; to share times of celebration and trial; and to help each other in the quest for a faith to live by.

**We affirm** the universal values of love and compassion, peace, truth and justice.

**We welcome** all who come to us in the spirit of goodwill and enquiry, regardless of ethnic or religious background, age, gender or sexual orientation.
